Counsel for Iowa Network Services, Inc. d/b/a
Aureon Network Services

Re: *AT&T Corp. v. Iowa Network Services, Inc. d/b/a Aureon Network Services,*
Proceeding Number 17-56, Bureau ID Number EB-17-MD-001

Dear Counsel:

This letter ruling further suspends the proceedings associated with the Petition for Reconsideration filed by Iowa Network Services, Inc. d/b/a Aureon Network Services (Aureon).¹

The parties are currently engaged in mediation of this dispute. If they are able to reach a settlement, it likely would obviate the need for the Commission to address Aureon's Petition and for a damages proceeding. The Commission has broad discretion to "conduct its [formal complaint] proceedings as will best conduce to the proper dispatch of business and to the ends of justice."² In light of the parties' ongoing negotiations, we find that the appropriate exercise of our discretion warrants suspending the Petition proceedings until the conclusion of the mediation. We are satisfied that this will serve the public interest by eliminating the potentially unnecessary expenditure of time and resources by the parties and this Commission.

This letter ruling is issued pursuant to Sections 4(i), 4(j), and 208 of the Act, 47 U.S.C. §§ 154(i), 154(j), 208, Sections 1.720-1.736 of the Commission's rules, 47 CFR §§ 1.720-1.736, and the authority delegated in Sections 0.111 and 0.311 of the Commission's rules, 47 CFR §§ 0.111, 0.311.
